Dear Scott,

I am writing to thank you for your excellent presentation on "The Holocaust in Rock and Pop Music" on 15 April 2008 during our Annual Holocaust Symposium.

As the organizer of the Symposium, I particularly appreciated your initiative and special advance efforts to tailor your material to the needs of the two scheduled classes (which were from two different departments: Music, Humanities).

Your ability to connect with and engage the audience was most impressive. Your expertise and enthusiasm shone through for all of us who had the pleasure of examining this fascinating subject with your dynamism and guidance.

Wishing you all the best,
